Nicola's Boutique

@sohoplacE

Situated right next to Tottenham Court Road Station, between Oxford Street and the West End, @sohoplacE is the newest addition to Soho's theatre scene. In fact, constructed in 2022, it's the first new West End theatre to have been built in fifty years.

Described as 'an oasis of calm in the heart of the action', the large, contemporary building spans five floors. On this Fifth Floor, @sohoplacE also has a large, flexible rehearsal and events space, with an adjoining bar and a lounge with a covered outdoor terrace overlooking the hustle and bustle of the West End.

The space has a late licence and can host parties for up to 350 people standing, with ample room for a DJ or live music and a dance floor, it's the perfect venue for your Christmas party.
